Music – Listening activity

Listen to ‘Holst: The Planets, ‘Mars’ – BBC Proms on Youtube and fill out the grid below, just like we did last week with ‘The Moldau’ by Bedrich Smetana.

<u>Name of song</u>	<u>Instruments I can see:</u>	<u>Dynamics (how loud is it?)</u>
<u>Mood of music</u>	<u>Texture (are there layers? Can you describe them?)</u>	<u>Tempo (how fast or slow is it?)</u>

Now listen to the piece of music again and whilst listening, draw a picture inspired by the piece of music.
