Geography – Settlements – How has land use changed in my area?

First, using an atlas or the internet to help you fill out the regions on the UK below.

Regions in the United Kingdom

Use the word bank to label some of the regions in the UK.

Word bank

London	The Scottish Highlands	Northern Ireland
Mid Wales	North East	South West

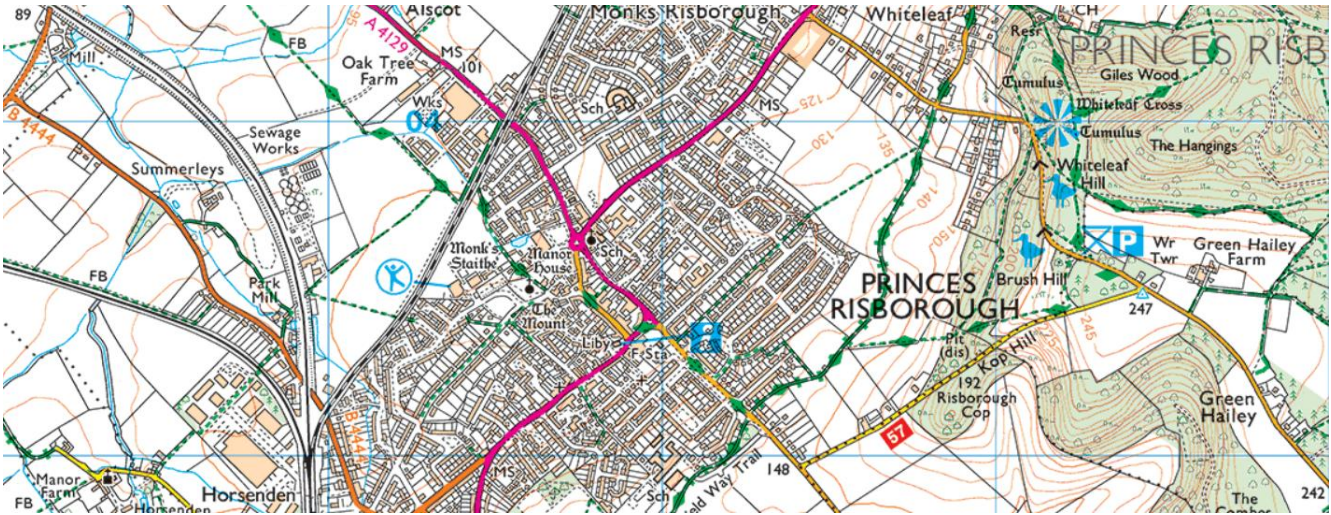

On the other side, you need to compare a map of Princes Risborough 200 years ago with now. Can you spot which features are still there, which features are new and which features have disappeared.

Look at roads, schools, farms, buildings etc. Any kind of land use!
